

ASSEMBLY BILL

No. 906

Introduced by Assembly Member Galgiani

February 17, 2011

An act to amend Section 21000 of the Elections Code, relating to reapportionment.

LEGISLATIVE COUNSEL'S DIGEST

AB 906, as introduced, Galgiani. Elections: reapportionment.

Existing law requires the county elections official in each county to compile and make available to the Legislature, or an appropriate committee of the Legislature, information and statistics that may be necessary in connection with the reapportionment of legislative districts, as specified.

This bill would make nonsubstantive changes to that provision.

Vote: majority. Appropriation: no. Fiscal committee: no.
State-mandated local program: no.

The people of the State of California do enact as follows:

- 1 SECTION 1. Section 21000 of the Elections Code is amended
- 2 to read:

- 7 of legislative districts, including, but not limited to, precinct maps
- 8 indicating the boundaries of municipalities, school districts, judicial

13 or enumeration district in which it is located. When a precinct is
14 divided among two or more census tracts or enumeration districts,
15 the county elections official shall include an estimate of the
16 proportion of the precinct's registered voters in each census tract
17 or enumeration district. If the United States Census Bureau divides
18 or alters any census tract or enumeration district between the time
19 of an election and the census upon which the reapportionment is
20 based, the county elections official shall provide whatever
21 corrections or additional information may be necessary to reflect
22 those changes.
